

REFERENCE NUMBER: SPAPC.ERDF 004/2018

Restoration of St Paul's Anglican Pro-Cathedral

RE-ISSUE

TENDER FOR THE RESTORATION OF THE EXTERNAL & INTERNAL FABRIC OF THE TOWER & SPIRE, & OTHER INVESTIGATIVE AND ANCILLARY WORKS

CLARIFICATION NOTE 3

Date: 07/06/2019

Clarifications:

1. Clarification sought:

With regards to Part A – Schedule of tender submittals, particularly to item 3.30 (Lighting), the tender requires *full technical submittal including detailed brochures and specification documents for all installation components and samples of proposed light fittings*. However according the BOQ items under section C1.4, **(Section C.1 Electrical & Lighting Installations Works)**, states that light fittings are to be *'installed and connected'* indicating that all light fittings will be procured by the client. Therefore would you please confirm that no samples are required in this regard?

Clarification reply:

The light fittings are to be procured as part of the contract and are to be priced in **Volume 5 Bill C.1 Item C.1.4**. A full technical submittal, including detailed brochures and specification documents for all installation components are required as part of the tender submittals. Samples of the proposed light fittings may be requested at a later stage of the adjudication process.

All other tender documents, conditions and requirements, which are not superseded by this clarification, remain in place.

Reminders:

1. Bidders are reminded that the deadline for submission is 17th June 2019 at 10:30am.

Clarifications are uploaded on www.savethecathedral.com
